

## HOW TO REACH BEJA?

### Practical information

---

*Beja is situated in the South of Portugal in a province called Alentejo, by road it was at 187 Km from Lisbon*

---

When you arrive at the airport you have two possibilities to reach Beja, by bus or by train, I prefer the last one, it's faster and more comfortable but you only have two trains by day (directly no transfer), as you can see in the next schedule:
